Quarterly Listing of Alien Insurers

April 2022

The nonadmitted alien insurers whose names appear in this list have filed financial statements, copies of auditors' reports, the name of their U.S. attorneys or other representative, and details of U.S. trust accounts with the NAIC International Insurers Department (IID) and, based upon these documents and other information, appear to fulfill the criteria set forth in IID *Plan of Operation*.

The NAIC cannot and does not guarantee its accuracy and assumes no responsibility for loss or damage resulting from the use of this information. Users of this Publication are further cautioned that the NAIC does not attempt to analyze or consider either the political stability of the domiciliary country or its diplomatic relationship with the United States.

Other alien nonadmitted insurers may be added to this list upon fulfilling the criteria set forth in the IID *Plan of Operation*. A copy of the *Plan of Operation* and *Application for Listing* may be obtained from the IID from the NAIC website at [Surplus Lines \(C\) Working Group](#).

Surplus lines brokers using this Publication are reminded that they must observe applicable State insurance laws and regulations. The appearance of the name of any alien insurer on this list should not be considered an endorsement by the NAIC.

The NAIC [Quarterly Listing of Alien Insurers](#) (Quarterly Listing) remains in effect until publication of the next Quarterly Listing or until any published modification of the list.

The National Association of Insurance Commissioners (NAIC) is the U.S. standard-setting and regulatory support organization created and governed by the chief insurance regulators from the 50 states, the District of Columbia and five U.S. territories. Through the NAIC, state insurance regulators establish standards and best practices, conduct peer review, and coordinate their regulatory oversight. NAIC staff supports these efforts and represents the collective views of state regulators domestically and internationally. NAIC members, together with the central resources of the NAIC, form the national system of state-based insurance regulation in the U.S.
